

RECYCLE BASKETS FOR PACKS AND TROOPS

Help the environment by recycling cans and bottles with Recycle Baskets made by local Cubs. Specially made wire Recycle Baskets are available for Packs and Troops to use at community events, sport activities, and any public place where people use cans and bottles. Simply place them out next to regular trash cans, pick them up after the event, and sell the cans or recycle everything.

The Recycle Baskets were made by **Pack 227** with money donated by **Keep Mobile Beautiful**. The Cubs used them first at the Azalea Trail Run and the Festival of Flowers. The Cubs collected thousands of cans and created good will with hundreds of visitors.

Your Pack or Troop can check out up to 35 Baskets from the **Mobile Recycling Drop-Off Center at 1451 Government St.** To reserve them, call **Keep Mobile Beautiful at 208-6029**.

The Recycle Baskets are free to borrow.

Why not adopt an event as your own to recycle: Mardi Gras, the Blessing of the Fleet, Bayfest, Gulf State Fair? Or how about your neighborhood block party, your church social, or your organization' fund raiser? Wouldn' it be great if there were Recycle Baskets at every event in Mobile? Wouldn' t Mobil be a more beautiful place.

Pitch in and adopt an event by calling
Keep Mobile Beautiful today! 208-6029
